## 2010-2011 Student Government Association Application

Fellow Lancer,

Thank you for your interest in the Student Government Association. The Student Government Association plays an important role on Longwood's campus. The Student Government Association is composed of three branches, the Executive, Legislative, and Judicial branches. All three branches come together to play an important role in crafting the student experience at Longwood. The SGA plays an important role in the day to day lives of students by keeping close communication and working relations with Longwood administration, faculty, and staff.
